**'Investors in Pupils' Reassessment**

**Monk Fryston Co E Primary School**

Dear Rick,

Thank you for inviting me to reassess 'Investors in Pupils' at your school on 9<sup>th</sup> June. I can now confirm that the reassessment report has been quality assured by the West Yorkshire Investors in Pupils Partnership. I am therefore pleased to inform you that Monk Fryston C of E Primary School has successfully retained the 'Investors in Pupils' accreditation.

The decision was based on information and evidence from a variety of sources including the very detailed self-assessment form, planning documentation, an extensive coordinator's evidence file, secondary sources, pre-assessment telephone conversation and a full timetable of interviews involving a range of stakeholders involved in daily school life including senior leaders, governors, parents, teachers, non-teaching staff; pupils from each year group, the school council and pupils with positions of responsibility. I also observed playtime with pupils taking responsibility for activities.

The school has an abundance of lively, creative and enthusiastic pupils. As part of its continued approach to pupil support and development the school should seriously consider how pupils could become further involved in any future developments.

I would like to thank all the pupils and staff of Monk Fryston C of E Primary School for a very enjoyable visit and for the opportunity and privilege to witness such a positive school community in action.

I wish the school every success in the future.

Yours sincerely,

**Colin Noble**
